UI/UX Developer | React Native & React.js

PROFESSIONAL SUMMARY

UI/UX Developer with 5+ years of experience designing and developing scalable web and mobile applications for product-based companies. Skilled in creating UI designs in Figma and converting them into pixel-perfect, responsive, and production-ready applications. Experienced across React Native, React.js, Next.js, HTML, CSS, SCSS, Python, FastAPI, and MySQL, with strong expertise in end-to-end frontend development, mobile app development, and modern user experiences including dark/light mode theming and client-specific customizations. Proven ability to collaborate with cross-functional teams, translate business requirements into intuitive interfaces, and deliver high-performance digital products.

CORE SKILLS

UI/UX Design	Figma to Code Conversion	React Native	React.js	Next.js	JavaScript
TypeScript	HTML5	CSS3	SCSS / SASS	FastAPI	Python
MySQL	REST API	Responsive Design	Mobile App Development	Theme Customization (Dark/Light Mode)	
Email Campaign Templates	State Management (Redux)	API Integration	Performance Optimization		
Cross-Browser Compatibility	Agile / Scrum	Code Reviews & Mentoring	Git Version Control		
Cross-Functional Collaboration	CI/CD Pipelines				

TECHNICAL SKILLS

Languages: HTML, CSS, SCSS/SASS, JavaScript, TypeScript, jQuery, Python
Frameworks & Libraries: React.js, React Native, Next.js, FastAPI, Redux, Bootstrap, Styled Components, Material UI, Ant Design, D3.js
Databases: MySQL
Practices: Agile/Scrum, Code Reviews, Git Version Control, CI/CD Pipelines, Performance Optimization

UI Libraries: ag-Grid, Syncfusion, ApexCharts, Ant Design Charts, Chart.js, Highcharts, Three.js, Slick/Owl Slider, Select2, TinyMCE
Tools & Platforms: Figma, Adobe XD, Photoshop, Git, Chrome Extensions, WordPress

EXPERIENCE

Alphastream.AI UI/UX Developer	Aug 2022 - Present Bangalore
- Spearheaded the conversion of complex Figma designs into responsive, pixel-perfect web interfaces using React, HTML, and CSS, driving an 85% improvement in user satisfaction scores. - Architected a custom UI component kit from scratch, eliminating dependency on external libraries and slashing development time for future projects by 80%. - Engineered seamless API integrations using the fetch method, boosting application performance and reliability by 70%. - Championed a scalable theming system with Styled Components, dynamically managing design tokens such as colors and font sizes across dark/light modes. - Built and integrated REST APIs using React.js, enabling smooth, real-time data flow across client-facing modules. - Implemented client-specific theme customization, allowing dynamic configuration of color palettes and font families to match individual brand identities. - Developed user-adjustable appearance settings, giving end users control over font size and color palette for a personalized viewing experience.	
Greypath Solutions Frontend Developer	Aug 2021 - Jun 2022 Bangalore
- Converted Adobe XD and Figma designs into 100+ high-quality, mobile-responsive web pages using HTML, CSS, and JavaScript. - Optimized pages for mobile devices, boosting mobile engagement by 40% and improving accessibility via proper ARIA roles. - Delivered pages with Google PageSpeed scores consistently above 80%, reducing load times significantly.	
Nexevo Technologies	Nov 2020 - Jul 2021

UI/UX Developer

Bangalore

- Translated complex Figma designs into responsive, pixel-perfect web interfaces using React, HTML, and CSS, resulting in an 85% improvement in user satisfaction scores.
- Created email templates for marketing campaigns.

Rayi Systems Private Limited

Jun 2019 - Aug 2020

UI/UX Developer

Bangalore

- Developed WordPress projects from the ground up, building a solid understanding of website development and management.
- Wrote UI/UX test cases to ensure functionality, usability, and design consistency.
- Developed product-based applications and email templates, optimizing for performance and user experience.

EDUCATION

Bachelor of Engineering in Computer Science — PSNA College of Engineering and Technology
Dindigul, Tamil Nadu

2015 - 2019

SOFT SKILLS

Problem-Solving & Analytical Thinking

Communication & Collaboration

Adaptability to New Technologies

Attention to Detail

Time Management
